Embracing Excellence, Inspiring Growth: A Journey of 25 Years at Leeds International School Network

A Message from the Deputy Chairperson - Mrs. Malithi Jayatissa..

Greetings to our vibrant Leeds family!

As we navigate the currents of another academic year, I am delighted to reflect on the incredible journey of Leeds International School Network — a journey marked by excellence, growth, and a shared commitment to education.

Over the past twenty-five years, Leeds has blossomed into a beacon of progress and achievement. From our modest beginnings, we have embraced challenges, celebrated triumphs, and woven a vibrant tapestry that defines our unique school community.

Our journey, much like any worthwhile adventure, has been sprinkled with trials and in overcoming challenges we have discovered the strength that resides within our Leeds family. Whether large or small, each accomplishment contributes to the rich legacy we are collectively building.

As we acknowledge our 25th year, let's pause to reflect on the milestones that have propelled Leeds to new heights. The spirit of innovation, a dedication to academic excellence, and the unwavering support of our community have been the driving forces behind our success. The timeless words of Robert Frost, "But I have promises to keep and miles to go before I sleep... and miles to go before I sleep." resonate with our commitment to continuous improvement and the understanding that there is always more to achieve.

Allow me to share a brief story that embodies this spirit:

In a quaint village, a group of friends set out on a challenging journey to reach the summit of a towering mountain. Along the way, they faced steep cliffs, turbulent rivers, and unpredictable weather. Despite the difficulties, the friends supported one another and their collective determination led them to the breathtaking summit. The moral of this story is clear: our journey may be challenging, but it is the shared commitment and resilience that propel us forward. Leeds, too, has faced its share of climbs, but together, we have reached new heights, and there are still more summits awaiting our ascent.

Thank you for being an integral part of Leeds International School's incredible journey. Your support, dedication, and enthusiasm have been instrumental in making our school a haven of learning and growth.

Wishing you exciting milestones, shared achievements, and the joyous anticipation of the promising horizons that lie ahead.

Warm Regards,
M. Jayatissa
Deputy Chairperson
