A DAY OF PLAY, JOY, AND DISCOVERY IN KG2

Our Kindergarten 2 Leedians of Tissamaharama Leeds enjoyed a joyful and memorable Playhouse Day, filled with fun, creativity, and laughter on 19th September 2025.

The morning began inside the classroom, where our little learners explored different playhouses and toys. Their imaginations came alive as they engaged in role-play, building stories and adventures together. The classroom was filled with happy chatter and bright smiles as the children shared and played with one another.

The fun continued outdoors in the garden, where students experienced the joy of free play in nature. They built with sand, creating shapes and little sand treats ('kompittu') proudly showing their imaginative creations to friends and teachers. The outdoor play encouraged teamwork, sensory exploration, and the simple delight of learning through play.

Playhouse Day provided our KG2 learners with more than just entertainment, it supported their social, emotional, and motor skills while nurturing creativity and collaboration. We are proud to see how play helps them grow, discover, and connect with each other.
